- Number of consumer packagings: 6
- Outer carton (L x W x H): 31,8 x 23,6 x 14,1 cm
- Outer carton (L x W x H): 12,5 x 9,3 x 5,6 inch
- Gross weight: 2,033 kg
- Nett weight: 1,116 kg
- Tare weight: 0,917 kg
- Gross weight: 4,482 lb
- Nett weight: 2,460 lb
- Tare weight: 2,022 lb
- GTIN: 2 06 09585 19011 9

Highlights

Extra wide soundstage

These portable speakers create an extra wide stereo soundstage when they are placed apart, so that each musical instrument appears to occupy a different physical space. The sound is more 3-dimensional and realistic.

Universal 3.5mm headphone jack

Plug and play with any of your mobile devices that have a 3.5mm headphone jack – iPod, iPhone, GoGear, MP3 players, laptops, netbooks, music phones and more.

Lightweight on-the-go design

These speakers are especially designed with travel in mind. From the park to a party, they're small and lightweight without sacrificing stereo-quality sound.

Plug & play - no batteries

Passive speakers are powered by your mobile device itself, so without batteries they're even smaller and lighter – pick them up and take them anywhere you want to enjoy your music out loud.

Two drivers

These speakers feature two drivers, delivering surprisingly clear and powerful sound from a small space.
