

On ear headphones

- 32mm drivers/closed-back
- Lightweight headband
- Compact folding

TAH4105BK/00

Your beats. Your style.

Feel like you've just stepped onto the dance floor. These on-ear headphones give you clear sound and powerful bass. The cushioned headband keeps things comfortable and the matte color designs let you make the music yours-in style.

Benefits

Easy on the move

- Flat-fold design for easy storage
- Inline remote. Easily control music and calls
- Angled connector. Keeps your headphones plugged in
- Compact foldable design for easy portability

Roll with the bass

- Rich bass, clear sound
- Great sound isolation from the closed-back design

Features

Rich bass, clear sound

Relive all your best dance floor moments over and over. The 32 mm neodymium drivers deliver big, bold bass and clear sound. The closed-back design delivers great sound isolation so you can enjoy every second of your favorite tracks.

- Powerful 32 mm neodymium drivers

Maximum style. Maximum comfort.

- Lightweight, adjustable cushioned headband
- Eye-catching matte colorways
- Soft ear cups that can be angled for maximum comfort

Lightweight

Available in stylish matte colorways, these on-ear headphones boast a cushioned headband that's so light you'll barely feel it. The soft ear cups are clearly marked for left/right ears, and can be angled until they feel just right.

PHILIPS

Flat-fold design

Roll with the bass. The ear cups fold flat and swivel inward, for easy storage in your pocket or bag. Just fold them up and you're ready to go.

Inline remote.

Take a call. Pause your playlist. All without touching your smartphone. The angled connector helps keep your headphones plugged in to your smart device-handy if your phone is in your pocket.

Compact Foldable

Real compact foldable which is excellent for travel and let you take your music anywhere.
