Highlights

Charge 2 devices simultaneously

2 USB to charge 2 devices simultaneously

Fast charging

Don't sit around waiting for your device to charge! The power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

Fast charging with total 2.1A

Fast charging with total 2.1A output and 2A input

LED power-indicator light

The discreet LED light glows softly to let you know at a glance that the unit is powered.

Works anywhere

Even if you're not near a wall or car charger, you can recharge your device's battery with the convenient battery pack. The intelligent battery pack supplies power first, so you can remove the pack after use and still have a full battery on your device.

Works with USB-based devices

The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.
