## Plug & Play pack - 4 handsets

A convenient Plug & Play phone package including a base and 4 handsets.

## Free intercom

## Digital answering machine

With a digital answering machine, you'll never miss a call or message.

## 10-minute recording time

Records up to 10 minutes of incoming messages

## Virtually interference free

Thanks to an advanced digital technology, calls are undisturbed by interferences from other devices.

## Speakerphone - Talk handsfree

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or take notes during a call.
