- Wireless control and enjoyment of music and calls

PHILIPS

Wireless Bluetooth® headphones
13.5mm drivers/closed-back In-ear, NFC

Highlights

13.5mm enlarged drivers

Enlarged 13.5mm drivers deliver rich and dynamic sound

Bluetooth technology

Pair your headphones with any Bluetooth device for crystal clear music enjoyment – wirelessly.

Choice of 3 pairs of ear caps

Ear caps come in a choice of 3 sizes – small, medium and large – for a personalized and perfect fit.

Easy NFC pairing

Easy NFC pairing lets you connect your Bluetooth® headphones with any Bluetooth-enabled device – with just a single touch.

Ergonomic oval sound tube

The oval shape of the sound tube came about based on extensive research on the human ear. Designed to fit any ear comfortably, the ergonomic shape ensure optimal fit and comfort for total music enjoyment.

Hybrid architecture

Hybrid architecture utilize high power neodymium magnets for high precision sound and enhanced bass impact. Its hybrid form factor utilizes larger 13.5mm speakers in a

TX2BTWT/00

compact headphone insert, which results in higher quality sound along with true comfort.

MusicChain™

With MusicChain™, you can easily share the tracks you are playing with a friend. Using Bluetooth® technology, a simple click on the MusicChain™ button on your headphones will pair them with other MusicChain™-enabled headphones.

Tangle-free flat cable

Anti-slip flat cable ensures that your cord always stays tangle free.

Wireless music and calls

Pair your smart device with your headphones using Bluetooth and enjoy the freedom of crystal clear music and phone calls – without the hassle of cables. Change tracks and answer calls with the easy to use remote control.
