Camera

- Digital zoom: 4X

Picture/Display

- Size (inch): 1.8 inch

Still Picture Capturing

- Image sensor type: CMOS

Video & snapshot capturing

- Sensor resolution: 3.1 MP

Highlights

3MP sensor

The numbers of megapixels determines the clarity of the image. 3 MP delivers a clean, sharp image with excellent picture detail.

3X digital zoom

This built-in digital zoom lens allows you to easily shoot from a distance, bringing subjects closer.

Easy control menu

Get exactly the shot you want with convenient access over all aspects of your imaging: resolution, exposure, flash and magnification.

Transfer images to your PC

User-friendly software allows you to easily upload your pictures to your PC. You can then print them, edit them and share them with others.

4.6 cm (1.8") color TFT LCD

This bright display screen makes it easy to compose pictures and offers access to the control menu.
