# Highlights

## 5.1 surround sound

Be at the heart of the movie and gaming experience and totally immerse yourself in sound.

## USB Direct for easy MP3 music

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more digital music via the built-in USB Direct.

## Bluetooth-enabled

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to other Bluetooth devices, so you can play your favorite music from any smartphones, tablets or even laptops including iPod or iPhone on Bluetooth-enabled speaker easily.

## FM tuner

The built-in FM tuner lets you enjoy your favorite songs or news from your radio station every day. Simply tune into the station that you want to listen.

## Perfect for MP3, PC, TV & more

Connect your speakers to all your gear. A great way to listen to your MP3 player, PC, TV, CD, DVD and all your multimedia stuff.

## Rich bass

This Philips PC speaker provides good sound quality with a rich bass experience from a loudspeaker box system.

## Bass with level control

Unique subwoofer design produces a much deeper, richer bass. You also have the possibility to set the bass level to your choice.
