B95

## Stunning sound for every drama. Or song.

Experience your movies and music like never before. This Fidelio soundbar with wireless subwoofer brings new levels of detail to every scene and soundtrack. Plus, it's easy to make this soundbar part of your multi-room audio setup.

### Give your entertainment the sound it deserves

- Philips Fidelio. Stunning sound with rich, deep bass
- Dolby Atmos and Dolby Surround. Heighten the excitement
- 5.1.2 channels. 808 W max. 410 W RMS (1%THD)
- Dedicated center channel for crystal-clear dialogue

### New levels of detail for movies and music

- IMAX Enhanced. Immersive, heart-pounding audio
- Play-Fi. From multi-room audio to surround sound
- HDMI eARC. Enjoy Dolby Atmos and DTS:X audio formats
- Spotify Connect. Bluetooth. Apple AirPlay 2. Optical-in

### A seamless experience

- Effortless. From movie night to music
- Easily connect to your favorite sources
- 4K pass-through. Dual HDMI inputs
- Connects to your favorite voice assistant-enabled devices

# PHILIPS

Soundbar 5.1.2 with wireless subwoofer  
808W max. Wireless subwoofer Dolby Atmos. IMAX Enhanced, DTS Play-Fi compatible, Connects with voice assistants

# Highlights

## Effortless connection

With a Philips Fidelio soundbar, nothing comes between you and the moment. Whether it's the seamless way you can switch between all your favorite sources or connect to speakers in other rooms. Or the low-profile design that allows easy placement. Simply unpack, connect and enjoy.

## Stunning sound. Rich deep bass

This soundbar creates a breathtaking sound experience. 5.1.2 channels fill any room with rich, deep soundtracks, thunderous effects, and sparkling dialogue. The wireless subwoofer adds impact to every explosion and every beat.

## Dolby Atmos and Dolby Surround

Get the full Dolby Atmos experience from this soundbar's up-firing speakers. Your favorite

movies and shows will sound breathtakingly realistic as sound flows above and around you. If you're watching non-Atmos content, the soundbar switches to Dolby Surround.

## IMAX Enhanced

This powerful soundbar is certified IMAX Enhanced, which means it's capable of delivering an audio experience that truly takes you to another world. The 240 W subwoofer looks great freestanding, and the soundbar itself has a low profile for simple placement.

## Play-Fi. Multi-room and more

Easy Play-Fi compatibility will make this soundbar the star of your multi-room set-up. You can sync Play-Fi-compatible speakers for multi-room audio, or even create a true surround-sound system—all via the Philips Sound app, or the Play-Fi app.

## All your favorite sources

For music, Spotify Connect lets you stream Spotify's best-quality signal over Wi-Fi. You can also stream hi-res playlists from your mobile device via Apple AirPlay 2 or Bluetooth. For movies and gaming, 4K pass-through lets you

B95/37

connect 4K HDR video sources with no loss of resolution.

## HDMI eARC

Lose nothing from the mix when you're immersed in the drama. This soundbar is compatible with HDMI eARC, a high-speed connection that lets you experience the full effect of advanced audio formats like Dolby Atmos and DTS:X. The soundbar also has dual HDMI inputs.

## Connect with voice assistants

Ask Alexa-enabled devices, or any speaker that works with the Google Assistant, to play music through the soundbar. Prefer Siri? This soundbar works with Apple AirPlay 2, so you can ask her too. Turn the music up. Skip tracks. All completely hands-free.
