- Kind of Battery: Rechargeable
- Mains power: AC 220-240 V - 50 Hz
- Number of batteries: 2 per handset
- Standby time: 150 hours
- Talk time: Up to 12 hours

Highlights

Speakerphone - Talk hands-free

Hands-free mode uses a built-in loudspeaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or take notes during a call.

Digital sound clarity

The digital sound offers overall better dynamic range and more clarity.
