- Length: 301 mm
- Width: 181 mm
- Height: 170 mm

Packaging Data

- Width: 157 mm
- Length: 292 mm
- Height: 27 mm
- EAN/UPC/GTIN: 87 10895 93574 6
- 12NC: 908210006459

Highlights

Big button

Big buttons are larger size buttons on a remote to help read the label better. Additionally, pressing the button becomes more convenient, as the size has increased by 2 mm compared to the standard button remote size.

Extra protection rim

The extra protection provided by the special rubber rim decreases the chance of breaking the remote. In addition, it improves the comfort and gives a firm grip of the remote in your hand.

Glow in the dark

A special translucent coating is added on the rubber part to have the effect of glow in the dark. This is to ensure you can easily find the product in the dark.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.
