Highlights

32 mm drivers

BASS+ headphones feature 32mm speaker drivers that produce big, pumping bass.

specially tuned drivers and bass vents produce ultra-low end frequencies to create a unique BASS+ sound signature.

Flat folding

With their flat folding design, BASS+ headphones are easy to fold and store away, making them your ideal travel companion.

Soft cushions

Soft, breathable ear cushions provide great comfort over long listening sessions.

Adjustable fit

Designed for optimal fit, BASS+ headphones feature swiveling earshells and an adjustable headband to ensure a great fit for all wearers.

Sound isolation

With a closed acoustic design, BASS+ headphones block out ambient noise to create improved sound isolation for a better listening experience.

Big, bold bass

This is big, powerful bass that lets you really feel the beat. Don't let the sleek design fool you –

Handsfree calls

An easy-to-use remote control allows you to play or pause tracks and answer calls with a simple push of a button.
