

Philips
USB power bank

For iPhone

DLP8006U

Ultra slim Power bank

with integrated cables

This ultra slim Li-polymer battery power bank is great to accompany with your iPhone. The integrated lightning and charging cable allow you to charge without hassle finding cable. Yet the extra USB port allows you to charge another device.

Portable power

- Recharge your devices multiple times on the go
- Works with USB-based devices
- Works anywhere - great when you're not near a power source

Smart design

- Power-indicator light to confirm status at a glance

PHILIPS
