Highlights

Line-in doubles as lanyard

These speakers are ready to go! When it's time to take your music on the go, reconnect the line-in cable and secure it in place to use as a convenient lanyard.

Mobile phone shielding

Mobile phone shielding technology is an advanced circuitry design that cuts out mobile phone interference to ensure static free sound

Universal 3.5mm headphone jack

Plug and play with any of your mobile devices that have a 3.5mm headphone jack – iPod, iPhone, GoGear, MP3 players, laptops, netbooks, music phones and more.
