Highlights

Nike AirPad

Nike AirPad with super soft ear cushions and extra large ventilating holes provide a superb cushioning and cooling effect

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

Neodymium magnets

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

Ultra lightweight headband

The slim, lightweight stainless steel headband is so light you'll hardly notice you're wearing it.
