- Packaging dimensions (W x H x D): 24 x 32 x 15 cm
- EAN: 87 12581 68188 3
- Gross weight: 1.086 kg
- Net weight: 0.618 kg
- Number of products included: 1
- Packaging type: Display
- Tare weight: 0.468 kg
- Type of shelf placement: Both

Product dimensions

- Product dimensions (W x H x D): 19.5 x 22 x 8.5 cm
- Weight: 0.356 kg

Highlights

Lightweight design

The durable, lightweight quality materials of these Philips headphones enhance comfort for extended wear.

32 mm speaker driver

The 32 mm speaker driver is a compact yet powerful element for delivering non-distorted sound with any given input power.

FM Wireless transmission

With high-frequency FM wireless transmission, which can even pass through walls, you can even listen to your music when you're in another room.

Self-adjusting inner headband

Typically, headphones worn outdoors are adjustable by sliding an extendable headband into position. This can be inconvenient as it usually has to be done every time you use them. But now you can get your music fix faster and easier thanks to the flexible, self-adjusting inner headband on these headphones, which automatically adjusts to your head's shape and size.

2 headphones included

With two headphone sets, you can share the 'personal' listening experience with a friend.

2 transmission channels

With a choice of two transmission channels your listening pleasure is protected because you can easily switch to the one with the best reception.

Fully rechargeable

The headphones are designed to be used with rechargeable batteries. No worries about cost for repeated use.
