Highlights

Replacement for Philips TV RC

In case the remote control of your Philips TV is lost or broken, this remote is the ideal replacement. It contains all Philips TV functions, including the basic Philips VCR and DVD functions. As you will find the same labels on the keys as on your original remote, it is very easy to get used to.

Basic VCR and DVD functions

No need to swap remotes every time you would like to watch a movie on your Philips DVD or VCR. The remote control offers you the basic functions like play, stop, fast forward, rewind, record and timer. Also a perfect solution for a TV-VCR or TV-DVD combo set.

Extended functionality

A shift key gives each key two functions, effectively doubling the versatility of your universal remote control.

Fast menu access

The important functions like set-up menu and text TV have clearly labelled, dedicated keys to make operating your equipment easier.
