# Highlights

## Pure and clear sound

Parametric Equalizer delivers pure and clear sound

## Adjustable speaker volume

2 levels for adjusting speakerphone volume to suit your need

## Always connected

Always connected - works even during power outage

## Call log

60 entries of call log keep track of missed, dialed and received calls.

## Caller ID\*

Sometimes it is good to know who is calling before you answer. And our Caller ID lets you keep track of who is on the other end of the line.

## Easy to read 2.6" display

Easy to read, 6.4cm (2.6") LCD display

## Speakerphone

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.
