

PHILIPS

True Wireless Headphones

Noise Cancelling Pro
Two mics for clear calls
Wireless charging case
IPX5 water protection

TAT5506BK

Your life, your moves, your music

Music or calls, these attractive, true wireless headphones are ready. Noise Cancelling Pro tunes out background noise, perfect for listening outdoors or on a commute. You get a secure, comfy fit, and the metallic look adds a dash of style.

Made for you

- Qi-compatible case can be charged wirelessly or via USB-C
- Handy wireless charging case. Get up to 32 hours play time
- IR sensor. Music pauses when you take an earbud out
- Philips Headphones app. Custom sound and more

Ready for your day. Or night

- Easy control and pairing
- Quick to reconnect to your phone when you open the case
- IPX5 water and sweat resistant

Great sound, sleek looks

- Sleek design with Noise Cancelling Pro
- Great sound from 10 mm neodymium drivers
- Clear calls, using one earbud or both
- Secure, comfortable in-ear fit

Highlights

Noise Cancelling Pro

These true wireless headphones don't just look great—they also let you focus. Advanced noise cancellation filters out unwanted sounds, and Awareness Mode lets you hear the world around you. Engage Voice Enhanced Mode on the Philips Headphones app to chat to someone nearby without removing an earbud.

Great sound

On your way. On the train. In the park or gym. Wherever you listen, perfectly tuned 10 mm drivers give you great sound for every track, playlist and more. If you take an earbud out, the music pauses. Put the earbud back in and the music starts up again.

Clear calls

With two mics focused on the sound of your voice, you'll be heard clearly—and you can double your talk time by using one earbud while the other one charges. The mics are automatically assigned to the earbud you're using, and you simply swap over when your current earbud is running low on battery.

Secure, comfortable in-ear fit

You get real comfort thanks to soft, interchangeable silicone ear-tip covers. The ear-tips on each earbud insert securely into your ear canal, creating a perfect seal that diminishes external noise. The 'hockey stick' form factor keeps each earbud secure.

Handy charging case

No matter what your day brings, these headphones can keep up. You get 8 hours play time (7 hours with ANC) from a pair of fully charged earbuds, and a fully charged case gives

you another 24 hours (21 hours with ANC). The Qi-compatible case can be charged wirelessly or via USB-C.

Philips Headphones app

The Philips Headphones app puts you in charge of the music you're listening to. Adjust levels yourself or choose from preset sound styles. You can also use the app to switch between preset noise-cancellation modes, or control the Voice Enhanced Mode.

Easy control and pairing

Controls on the earbuds let you pause your playlist, take calls and wake your phone's voice assistant. The headphones are ready to pair in an instant. Once paired, they reconnect with your phone as soon as you open the charging case.

IPX5 water/sweat resistant

The IPX5 rating means these headphones are resistant to water jets. The earbuds won't mind a little sweat and you don't need to worry about getting caught in the rain.

Specifications

Sound

Frequency range: 20–20,000 Hz
Speaker diameter: 10 mm
Impedance: 16 Ohm
Maximum power input: 5 mW
Sensitivity: 105 dB (1 kHz)
Driver type: Dynamic

Connectivity

Bluetooth version: 5.2
Wireless
Bluetooth profiles: A2DP, AVRCP, HFP
Maximum range: Up to 10 m
Supported codec: AAC, SBC
Type of wireless transmission: Bluetooth

Outer Carton

Length: 34.8 cm
Number of consumer packages: 24
Width: 24.8 cm
Gross weight: 4.628 kg
Height: 24.7 cm
GTIN: 1 48 95229 11925 0
