Inner Carton

- Number of consumer packagings: 6
- GTIN: 2 48 95229 10194 8

Highlights

HDMI out

HDMI is a direct digital connection that can carry digital HD video as well as digital multichannel audio. By eliminating the conversion to analog signals it delivers perfect picture and sound quality, completely free from noise. HDMI is fully backward-compatible with DVI.

SD / TF card slot

View and share your video clips, photos and music easily and instantly with this built-in card slot for SD/TF memory cards. Simply insert the memory card into the slot located on the side to access your multimedia files stored on the card and enjoy your favorite music, photos and movies anywhere.

Supports USB 3.0.

Supports USB 3.0 high speed 5 Gbps transfer rate.

USB 3.0 downward compatible

Support USB 3.0 super speed 5Gbps transmission, downward compatible to USB 2.0 transfer speed 480Mbps.

USB-C port with PD

USB-C is the latest charging connector which is now adopted by mobile devices such as cell phones, outdoor cameras and tablets. PD (Power delivery) is the USB standard for power delivery which defines the standard for power delivery of 15W, 27W, 45W and up to 100W.
