Highlights

2-in-1 remote control

Replace two separate remote controls with one robust unit that operates your TV and DVD player/recorder or VCR, regardless of the brand or model.

Fast menu access

The important functions like setup menu and text TV have clearly labelled, dedicated keys to make operating your equipment easier.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Simple system setup

Setup your remote control as soon as possible with an intelligent scanning system that automatically scans for the codes that match your equipment.
