Powerful speakers with a bass-reflex system and double bass pipes enhance the lower frequencies and deliver rock-solid, deep bass sounds. You'll be able to hear the lowest murmur or the deepest roar.

## Dolby Digital

Because Dolby Digital standards, the world's leading digital multi-channel audio standards, make use of the way the human ear naturally processes sound, you experience superb quality surround sound audio with realistic spatial cues.

## 1000 W RMS power

1000 W RMS power delivers great sound for movies and music

## Plays it all

Play virtually any disc and any media devices you want - whether they are DVDs, VCDs, CDs or USB devices. Experience the unbeatable convenience of great playability, and the luxury of sharing media files on your TV or home theatre system.

## HDMI for HD movies

HDMI is a direct digital connection that can carry digital HD video as well as digital multichannel audio. By eliminating the conversion to analogue signals it delivers perfect picture and sound quality, completely free from noise. Movies in standard definition can now be enjoyed in true high definition resolution—ensuring more details and more true-to-life pictures.

## EasyLink

EasyLink lets you control multiple devices like DVD players, Blu-ray players, soundbar speakers, Home theatre systems and TVs etc. with one remote. It uses HDMI CEC industry-

standard protocol to share functionality between devices through the HDMI cable. With one touch of a button, you can operate all your connected HDMI CEC-enabled equipment simultaneously. Functions like standby and play can now be carried out with absolute ease.

## Touch panel for playback

Intuitive touch panel control allows you to control the volume as well as other playback options by simply pressing the touch sensitive controls on the front panel.

## Wireless rear speakers option

Wireless rear speakers give you scalability and mobility in speaker placement. Developed using interference-free technology, wireless speakers provide full surround sound without unsightly wire connections.
