PHILIPS

Cordless phone
1000-series 1.6" display/ amber backlight, Speakerphone, 2 handsets

Highlights

Advanced sound testing

We test the sound quality of our DECT phones the same way as high-end headphone manufacturers do. Using an advanced ear simulator, we can accurately re-create the way people actually hear. This helps our acoustic engineers to measure and fine-tune things like frequency response, distortion and overall hearing perception, to create perfect voice reproduction for both handset and handsfree modes.

Parametric Equalizer

Our telephones use parametric equalization in the digital sound processing to fine-tune the sound response back to the intended linear frequency response curve, delivering sound that is pure and clear, for each conversation.

Acoustic echo cancellation

No more of those annoying echoes when you are talking on the phone. With our acoustic echo cancellation, you always get a clear, undisturbed connection.

Handset speakerphone

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.

4.1cm(1.6") dot-matrix display

Easy to read, 4.1cm (1.6") dot-matrix display

Easy setup

Ultimate convenience through easy set up.
Simplified installation - Plug & Play product

50-name phone book

Always have the phone numbers of your loved ones available: Save up to 50 names in your phonebook.

Optimized antenna layout

Our optimized antenna layout ensures strong and stable reception – even in areas of the house where cordless transmission is difficult. Now you can take a call wherever you are in the house, and enjoy a long, uninterrupted conversation even as you walk around.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Specifications

Sound

- Volume control on handset
- Ringtones on handset: 10 polyphonic

Picture/Display

- Display size: 4.1cm / 1.6"
- Backlight: Yes
- Backlight color: Amber

- Power Consumption: < 0.6 W

Security

- Transmission encryption : Yes

Network Features

- Compatible: GAP

SAR Value

- Philips handsets: <0.1 W/kg

Eco Design

- EcoMode: automatic

Packaging dimensions

- Type of shelf placement: Dummy
- Packaging dimensions (W x H x D):
18,5 x 13,6 x 10,4 cm
- EAN: 87 12581 61541 3
- Gross weight: 0,683 kg
- Nett weight: 0,55 kg
- Number of products included: 1
- Packaging type: Dummy
- Tare weight: 0,133 kg

Issue date 2015-01-30

Version: 3.1.3

12 NC: 8670 000 80255
EAN: 87 12581 61541 3
