- Talk without taking off headphones with Talk Mode
- Activate Siri and Google Now with a press on earcan button

PHILIPS

Wireless noise cancelling headphones
40mm drivers/closed-back Over-ear, Soft ear cushions, Compact folding

SHB9850NC/27

Highlights

High resolution audio

High Resolution Audio offers the best in audio performance, reproducing original studio master recordings more faithfully than 16bit/44.1kHz CD formats. This uncompromising quality makes High Resolution Audio the best sound companion for the music lover. These headphones meet the stringent standards required for the Hi-Res Audio stamp of quality.

40mm high definition drivers

Finely tuned 40mm neodymium drivers combined with a closed-back acoustic system design and over-ear sealing provide an excellent and impressive precision sound.

Compact multi-way folding

A compact multi-way foldable construction is ideal for an on-the-go companion.

Hands free calls

Convenient hands-free calling with mic and Bluetooth® 4.0

Multi-point

Multi-point allows you to connect your Philips Bluetooth headphones with two Bluetooth-enabled devices simultaneously. Simply pair up the two devices to enjoy movies and music while effortlessly taking calls in between.

Rechargeable battery

Enjoy 16 hours of continuous music playback even with Bluetooth and Active Noise Canceling on, 28 hours when only Bluetooth is on and 33 hours when only ANC is on.

Simple NFC pairing

Simple NFC pairing lets you connect your Bluetooth® headphones with any Bluetooth-enabled device – with just a single touch.

Smart touch controls

Smart touch controls on the right earshell give control of your music and calls with a tap or a swipe. Tap to play, pause music and answering calls, swipe sideway to change tracks and swipe up and down to change volume. It's time to forget about hunting for buttons.

Soft ergonomic cushions

Ergonomic cushions for long wearing comfort and a tight seal
