# Highlights

## Auto clock synchronization

When connect and dock, this docking station will automatically synchronize the clock with your iPod/iPhone/iPad.

## Charge both iPhone and iPad

Charge your iPad on this Fidelio docking station through the dock connector. At the same time, you can also charge your iPod, iPhone or any other mobile device via USB connector together.

## Dock in its case

The smartly designed spring-loaded docking port of this Philips speaker effortlessly accommodates any iPod or iPhone, without special adaptors. What's more, it works even when most protective cases are on – just dock your iPod or iPhone as it is. Now you can truly have fuss-free enjoyment of your music.

## LED clock display
