Highlights

Perfect in any room

From morning grooves to late-night sounds, this radio fits perfectly on small tables, slim countertops or a bookshelf. The DAB+ tuner delivers crystal-clear reception. You can set up to 20 presets for your favourite stations.

Beautiful design that fits in

A light wood cabinet surrounds the speaker, which is covered in grey speaker fabric. The black gloss display panel shows station information and the time. There are buttons on top of the radio for tuning, source selection and more.

Alarm for overnight guests

Set the Gentle Wake function and your guests will wake to a gradually increasing radio volume. You can use the dual-alarm function to set two different alarms. Perfect if your guests are likely to snooze through the first alarm.
