# Highlights

### Crackle-free radio reception
From nonstop music to the latest news, this digital radio is your ticket to better listening. The DAB+ tuner delivers crystal-clear reception, and you can set up to 20 presets for your favorite stations. The display shows the time clearly.

### Sleep Timer
Drift into restful sleep with your favorite station playing in the background. You can set the clock's Sleep Timer to play the radio for up to 2 hours. After your preset time has elapsed, the radio turns off.

### Dual alarm
The dual alarm function lets you set two different alarms, and the Gentle Wake function deploys a gradually increasing alarm to ease you into the day. You can set it to work with the alarm tone or the radio.

### Auto time sync. Battery backup
This alarm clock automatically syncs time, and it also has a battery backup. If there's a power failure, you won't have to reset the clock and your alarm settings will be saved.
