SPD5110CC/00

Product highlights

One-Click Back-Up button

Simplify automatic file back and synchronisation with a easy to use One-Click Back-Up button

Safe shutdown button

Before shutting down the external disk double checks if all data is written and it is safe to shut down

Accelerated USB 2.0

The Hard Drive is equipped with USB 2.0 and a Prolific chip for super fast file transfer.

Extra thick aluminium casing

The high quality aluminium casing protects the hard drive from wear and tear - protecting your data and guaranteeing a long working life. It also insulates the sound of the drive to ensure quiet operation.
