- Product dimensions (W x H x D): 291 x 146 x 243 mm
- Weight: 1.9 kg
- Weight incl. Packaging: 2.4 kg

Highlights

Auto stop stereo cassette deck

Auto stop stereo cassette deck

Dynamic Bass Boost

Dynamic Bass Boost maximises your music enjoyment by emphasising the bass content of the music throughout the range of volume settings - from low to high - at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.

CD shuffle/programme/repeat

CD shuffle/programme/repeat

MP3 Link for portable music

The MP3 link connectivity allows direct playback of MP3 content from portable media players. Besides the benefit of enjoying your favourite music in the superior sound quality delivered by the audio system, the MP3 link is also extremely convenient as all you have to do is to plug your portable MP3 player into the audio system.
