

USB power bank

- 10,000 mAh
- USB A and Type-C charging port
- Green

DLP6715NG/69

Slim and powerful power bank

With USB and Type-C output port.

Big 10000mAh capacity with safe Li-polymer battery. No more hassle when your cellphone is out of battery. This the ideal travel mate to provide power to all your mobile devices.

Benefits

Top Performance

- USB-C port for latest mobile devices
- Slim portable design

Portable power

- Works anywhere - great when you're not near a power source
- Works with USB-based devices

- Recharge your devices multiple times on the go

Confirm operation at a glance

- LED power-indicator light

Features

LED power-indicator light

The discreet LED light glows softly to let you know at a glance that the unit is powered.

USB-C port

USB-C is the latest charging connector which is now adopted by mobile devices such as cell phones, outdoor cameras and tablets.

PHILIPS

Recharge multiple times

This portable power source gives you the extra power for more than two full recharges on the go. Take it with you when you travel to have back-up power when you need it.
