Surge protector

4 outlets

900J

2 m

3680 W 16 A

SPN3040C

Worry-free protection for your valuable devices

Designed to perform and protect, this surge protector features advanced technologies to keep equipment safe from electrical surges. Power Blocker[®] circuitry automatically shuts down power to your system to protect against subsequent surges.

Simplicity

- Integrated automatic child safety outlets
- Worry-free protection indicators

Built-in convenience

- 2 m power cord
- Built-in cord management
- 4 outlets with protection

Pure Protection

- 900 Joules
- €100,000 equipment warranty
- Power Blocker

Highlights

900 Joules

Prevent thousands of pounds of damage to your electronic devices.

Power Blocker

Automatically shuts down power to the connected devices.

€100,000 equipment warranty

Protects your connected equipment for the life of the product.

2 m power cord

Provides power to the unit, which can be 2 m from the AC outlet.

4 outlets with protection

Protects against surges/spikes through the AC lines by suppressing surge energy. The excess energy is clamped by the MOV when the unit is subjected to a surge event.

Cord Management

A cord management device that allows the cable/cords to be routed in the same direction for a more organised appearance

automatic child safety sockets

Helps keep children safe from accidental shock.

Protection indicators

LED lights let you know if your surge protector is functioning properly.
