Highlights

Simply better TV sound

The crackle of laser fire. The roar of a crowd. Clear speech in the news. Two channels bring new levels of sound to your favourite movies and shows. Simply select one of three preset sound profiles to get the best sound for what you're watching.

HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote that you use for your TV.

Connect your favourite sources

Stream playlists from your mobile device via Bluetooth. Connect audio sources via audio-in or optical input. Whatever you love, it will sound louder and clearer through this soundbar.

Distinctive geometric design

See it. Hear it. Love it. The unique slanted design of this soundbar looks great in any room and it's low enough to place under most TVs. You can also mount to the wall with the integrated brackets.
