## USB A to Lightning 2M Cable

Max Output: 3A

Connect your iPhone with Macbook to sync music, apps, photos, updates and more. Charge your device when connected. Works with your existing USB wall or auto charger with USB socket. It's a great spare or replacement cable to have!

### **The essential cable**

- A great spare or replacement cable to have on hand

### **Charge your mobile devices**

- Works with your existing USB wall or car chargers

# Highlights

## A great spare or replacement

Carry it with you, keep it at your desk, or replace the one you lost so you're always able to connect and charge when you need to.

## Works with your USB chargers

Works with any of your existing USB-based power sources – wall, auto or computer – for convenient charging when you need it.
