- 2x 6.3 mm mic inputs

PHILIPS

Highlights

Bring the beats

With powerful sound and big, pumping bass, this powerful speaker can fill the room with beats. Up to 7 hours play time from a single charge lets you rock the tunes all night.

Blaze to the music

Get everyone up and dancing with party light effects. Colored lights on the speakers pulse in time to the music, flash in different orders, or stay on in a steady glow.

Sing it. Play it.

Mic inputs (6.3 mm) let you take the party up a notch. Sing to a playlist, or MC your own event. Fun karaoke effects give you the ability to add echo and delay to your performance!

Take the party with you

The built-in trolley handle and wheels mean you can play wherever you like. Take the tunes to a friend's house. Set up on the basketball court.

Big sounds, easy pairing

With Bluetooth, USB, AUX, and TF card inputs, your music is always ready to go. Connecting with your Bluetooth device is simple. The wireless range is 10 m.

Up to 10 m wireless range

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to iPod/iPhone/iPad or other Bluetooth devices, such as smartphones, tablets or even laptops. So you

can enjoy your favorite music, sound from video or game wirelessly on this speaker easily.
