# Highlights

## 30 frames per second video

Sit back and enjoy superior viewing with 30 frames per second video. This gives you smoother video images and a better all-round video chatting experience.

## VGA resolution

VGA (640 x 480) means around 300,000 pixels are used to create the total image. This VGA resolution ensures sharp images for use in documents, webpages and e-mails.

## Automatic Picture Optimiser

The Automatic Picture Optimiser helps you get the most out of your webcam by automatically adjusting the camera and image settings to match the light available.

## Rotating lens

Rotating lens for perfect aiming and natural images. You can get the right camera angle quickly and easily without having to put things underneath it to change the tilt.

## In-ear headset included

The headset fits conveniently in your ear and the microphone is located on the cord below your mouth for easy recording. Get echo-free video instantly with this handy handset with built-in mic.

## Installation manager

Install your webcam in seconds with the handy Installation Manager. Just follow the easy, step-by-step instructions and you'll have the webcam set up to match your computer perfectly.

## Stable mount

The multifunctional stand makes it easy for you to mount the webcam on any monitor, laptop, notebook or flat surface.

## Snapshot button

With just one press of this button, your webcam takes a picture automatically. It's a fun way to share your pictures by adding them to e-mails, webpages or documents.

## Compatible with MSN and Skype

The webcam and its software have been designed with all messaging systems in mind. Add video to Skype, MSN Messenger, Yahoo!, AOL Messenger and other free messaging services. It also works with Windows Messenger and NetMeeting for multi-person video conferencing and is designed to be future-proof.

## Compatible with all software

The webcam works with all available free and professional imaging software. Take a snapshot or still picture from your video and open it with any image program.
