- HDMI eARC for the latest surround sound formats
- Up-firing speakers. Heightens the excitement

PHILIPS

Highlights

Smart soundbar. Epic sound

This soundbar brings 330 W of pure power to everything you watch, and every track you love. 3.1.2 channels fill any room with spellbinding soundtracks, thunderous effects, and crystal-clear dialogue. The wireless subwoofer adds impact to every explosion and every beat.

Dolby Atmos

Increase the drama no matter what you watch. Dolby Atmos gives you an incredibly immersive audio experience. Your favorite movies and shows will sound breathtakingly real as sound flows above and all around you.

All your favorite sources

You can also stream hi-res playlists from your mobile device via Chromecast, Apple AirPlay 2 or Bluetooth. For movies and gaming, 4K pass-through lets you connect 4K HDR video sources with no loss of resolution.

HDMI eARC

Lose nothing from the mix and get fully absorbed in the drama. This soundbar is compatible with HDMI eARC, a high-speed connection that lets you experience the full effect of advanced formats like Dolby Atmos. The soundbar also has dual HDMI inputs.

Works with AI voice assistants

Ask any speaker that works with the Google Assistant to play music through the soundbar. Prefer Siri? This soundbar works with Apple AirPlay 2 so you can ask her as well. Turn the music up. Skip tracks. All completely hands-free.

Low profile. Easy placement

The distinctive geometric design has a low profile, making this soundbar easy to place under or alongside your TV. The included wall brackets keep your options open, and the powerful wireless subwoofer looks great when placed.
