Designed to enhance your living space

- Sleek high gloss finishing with unique touch controls

Connect and enjoy all your entertainment

- HDMI 1080p upscales to high definition for sharper pictures
- Plays DVD, VCD, CD and USB devices

PHILIPS

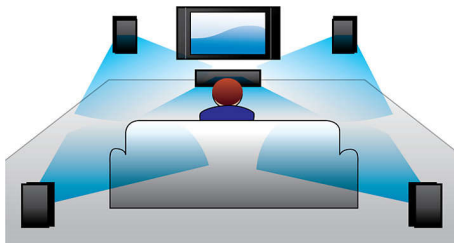

Highlights

3D Angled speakers

3D Angled Speakers feature angled drivers to deliver sound not only towards the front but also to the sides, creating a wider sweet spot so you can enjoy more immersive and cinematic surround sound.

DTS, DolbyDigital, ProLogic II

A built-in DTS and Dolby Digital decoder eliminates the need for an external decoder by processing all six channels of audio information to provide a surround sound experience and an astoundingly natural sense of ambience and dynamic realism. Dolby Pro Logic II provides

five channels of surround processing from any stereo source.

Sleek high gloss finishing

Sleek high gloss finishing with unique touch controls

HDMI 1080p

HDMI 1080p upscaling delivers images that are crystal clear. Movies in standard definition can now be enjoyed in true high definition resolution - ensuring more details and more true-to-life pictures. Progressive Scan (represented by "p" in "1080p") eliminates the line structure prevalent on TV screens, again ensuring relentlessly sharp images. To top it off, HDMI makes a direct digital connection that can carry uncompressed digital HD video as well as digital multichannel audio, without conversions to analog - delivering perfect picture and sound quality, completely free from noise.

Plays it all

Play virtually any disc and any media devices you want - whether they be DVDs, VCDs, CDs or USB devices. Experience the unbeatable convenience of great playability, and the luxury of sharing media files on your TV or home theater system.

800W RMS power

800W RMS power delivers great sound for movies and music

Specifications

Sound

- Frequency response: 20 - 20k Hz
- Sound Enhancement: Dolby Digital Prologic II, Night Mode
- Sound System: Dolby Digital 5.1, DTS 96/24, DTS Digital Surround, Stereo
- Subwoofer output power: 200 W
