2 Get started

Configure your phone

1 The batteries are pre-installed in the handset. Pull the battery tape off from the battery door before charging.
2 When using your phone for the first time, you see a welcome message (country dependent).
   After the welcome message, press **[OK]**.
3 Please set the country and language if prompted.
4 Set the date and time.
   • If the time is in 12-hour format, press 🔊/🔋 key to select **[AM]** or **[PM]**.

Charge your phone

Charge
8 hours

Place the handset on the base station to charge the handset. When the handset is placed correctly on the base station, you hear a docking sound.

↳ The handset starts charging.

Note Charge the batteries for 8 hours before first use.

Check the battery level

When the handset is off the base station/charger, the bars indicate the battery level (full, medium and low). When the handset is on the base station/charger, the bars flash until charging completes.

The empty battery icon flashes and you hear an alert tone.
The battery is low and needs recharging.
