- Bluetooth enabled wireless handsfree talking

### **Wear it comfortably for hours!**

- Ergonomic earhook

### **Make sure you are clearly understood**

- Clear, echo free calls

### **Universal: Works with your Bluetooth enabled phone**

- Bluetooth HSP/HFP compliant - Universal

# Highlights

**Clear, echo free calls**

Enjoy clear, echo free calls with the headsets' highly sensitive microphone and smart acoustic design.

**Wireless handsfree talking**

Using your cellphone without a headset can be inconvenient and unsafe. In many locations it is also illegal while driving. Wired handsfree kits add the hassle of a cable. A Bluetooth headset replaces the cable with a short range wireless Bluetooth connection, so your hands are free and your freedom to move is not hampered by a cable. Because the transmitted energy close to your head is much lower than that radiated from your mobile phone Bluetooth also decreases potential risks associated with cellphone radiation.

**Wireless call management**

Manage your call without using your mobile phone. This includes call acceptance, rejection, voice dial and redial. Voice dial and redial have to be supported by your mobile phone.

**Bluetooth HSP/HFP compliant**

Bluetooth is a cable replacement technology. Bluetooth is a global standard, so Bluetooth devices of different manufacturers can interoperate using shared Bluetooth profiles. HSP (Handset Profile) and HFP (Handsfree Profile) are the profiles required for typical Bluetooth headset operations. If your mobile phone is compliant to HSP or HFP (like virtually any Bluetooth enabled phone) this headset will work with it. The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Koninklijke Philips Electronics N.V. is under license.

**Ergonomic earhook**

The ergonomic earhooks size can be adapted in various steps to fit your ears, which will not only increase comfort but also ensure a safe fixture. In addition the earhook can be adapted to accommodate both left- and right-ear wearing styles.

# Specifications

**Connectivity**

**Bluetooth version:** 3.0+EDR

**Bluetooth profiles:** handsfree, headset

**Maximum range:** up to 33 feet / 10

**Outer Carton**

**Number of consumer packagings:** 36

**GTIN:** 1 48 95229 11221 3

**Convenience**

**Call management:** Answer / End call, Reject call, Last number redial, Call transfer

**Inner Carton**

**Number of consumer packagings:** 6

**GTIN:** 2 48 95229 11221 0

**Power****Rechargeable**

**Battery Type:** Li-polymer

**Talk time:** up to 12 hour(s)

**Power supply headset:** via USB adapter

**Standby time:** up to 120, up to 220 hour(s)

**Packaging dimensions**

**Packaging type:** Carton

**Type of shelf placement:** Laying

**Number of products included:** 1

**EAN:** 48 95229 11221 6
