- 21.6 cm/8.5" TFT color LCD display for high quality viewing
- Watch movies in 16:9 widescreen format
- Built-in quality stereo speakers

For ultimate convenience

- Contemporary precision design with piano-white top cover
- Car adaptor and slim remote control
- Up to 2.5-hour playback with rechargeable battery
- Share entertainment fun with dual headphone jacks

PHILIPS

Highlights

Play DVD, DivX and MPEG4

With DivX® support, you are able to enjoy DivX® encoded videos in the comfort of your living room. The DivX® media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, memory cards and DVD-video. DivX® CDs can be played back on selected DVD

players, DVD Recorders and Home Theater Systems.

Zero Bright Dot™ screen

Enjoy highest-quality images that are free from annoying blank spots on the LCD screen. LCD displays commonly have imperfections, termed as 'bright dots' by the LCD industry. A limited number of bright dots were once considered

an inevitable side effect of LCD mass production. With Philips' strict quality control procedures used in our Portable DVD Players, our LCD displays are produced with zero tolerance for bright dots. Select Portable DVD Players come with Philips Zero Bright Dot™ Policy to guarantee optimal screen quality.

Specifications

Picture/Display

- Display screen type: LCD TFT
- LCD panel type: Anti-glare polarizer
- Diagonal screen size (inch): 8.5 inch
- Brightness: 200 cd/m²
- Contrast ratio (typical): 300:1
- Response time (typical): 30 ms
- Effective viewing area: 187.2x105.3
- Resolution: 480(W)x234(H)x3(RGB)
- Pixel pitch: 0.13(W) x 0.45(H)
