Highlights

Virtually interference free

Thanks to an advanced digital technology, calls are undisturbed by interferences from other devices.

Up to 300 m range

Move freely in and around the house within a range of maximum 50 meters indoor and up to 300 meters outdoor (in ideal open-air conditions).

Call even during power outage

Take full advantage of the combo concept. Even in case of power outage, you can still use the corded phone to make and receive calls.
