Highlights

Play and charge via Lightning

Enjoy your favorite music while charging your iPod/iPhone via the new Lightning connector! Just dock it directly on the speaker to play your hand-picked tunes in superb sound. It also charges your device quickly while playing, so you don't have to work about the battery running out.

Auto clock/date sync

Docking station automatically synchronizes the clock or date with your iPod or iPhone when docked. Just press a button to switch between clock or date display.

USB for second device

For added convenience, this speaker also boasts a USB port for charging a second mobile device even when your iPod/iPhone is docked.

Free ClockStudio app

The free app adds an array of exclusive cool features to your docking speaker. You can check the weather, tell the time and even use your favorite images as wallpaper. ClockStudio also lets you listen to thousands of Internet radio stations worldwide. More updates on skin styles and new functions on the way.
