

Battery

- AAA, 700 mAh
- Nickel-Metal Hydride

R03SP700/00

Enjoy your device longer

Ideal for all kind of devises, these standard capacity AAA accus do not need draining before recharging, simply top them up whenever it is convenient for you. What's more you can recharge them up to a thousand times.

Benefits

Top Performance

- NiMH technology for recharging multiple times
- The battery for toys and other general devices
- Enjoy the full capacity over and over again

- Saves money because it can be recharged 1000 times

Features

Nickel-Metal Hydride

Nickel-Metal Hydride technology allows recharging multiple times and makes replacement of the accus almost unnecessary.

No capacity loss over time

A Nickel-Metal Hydride battery can be re-energized fully up to 1000 times without draining it before charging. This allows you to make easier and better use of your rechargeable batteries.
