Highlights

Full size design

Full-size earshells of these Philips headphones not only cover your whole ear for better sound quality, but also provide space for a larger, higher performance driver.

Comfort ear cushions

The special shape and luxurious materials used for the ear cushions of these Philips headphones ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

6m cable

Extra long 6m cable for you to connect your headphones to TV or any audio equipment.

In-line volume control

Adjust the volume to your preferred level without having to go to the audio source unit.
