PHILIPS

Highlights

300W RMS power

300W RMS power delivers great sound for movies and music

Dolby TrueHD and DTS-HD

Dolby TrueHD and DTS-HD Master Audio Essential deliver the finest sound from your Blu-ray Discs. Audio reproduced is virtually indistinguishable from the studio master, so you hear what the creators intended for you to hear. Dolby TrueHD and DTS-HD Master Audio Essential complete your high definition entertainment experience.

Exposed speaker drivers

Exposed speaker drivers for powerful surround sound

Play it all

Play virtually any disc and any media format you want - whether they be Blu-ray Discs, DVDs, VCDs, CDs or USB devices. Experience the unbeatable convenience of great playability, and the luxury of sharing media files on your TV or home theater system.

Access YouTube and Picasa

Get YouTube videos and Picasa photos on your TV now. Enjoy the huge collection of online videos on a larger screen, without even having to turn on your computer. Simply ensure that your Blu-ray player or Home cinema system is connected to the Internet, either wirelessly over Wi-Fi or with a cable to the LAN connector - then sit back and enjoy the best of YouTube & Picasa.

HDMI for HD movies

HDMI is a direct digital connection that can carry digital HD video as well as digital multichannel audio. By eliminating the

conversion to analog signals it delivers perfect picture and sound quality, completely free from noise. Movies in standard definition can now be enjoyed in true high definition resolution - ensuring more details and more true-to-life pictures.

Audio in

Audio in allows you to easily play your music directly from your iPod/iPhone/iPad, MP3 player, or laptop via a simple connection to your home cinema. Simply connect your audio device to the Audio in jack to enjoy your music with the superior sound quality of the Philips home cinema system.

EasyLink

EasyLink lets you control multiple devices like DVD players, Blu-ray players, soundbar speaker, Home theater and TV's etc. with one remote. It uses HDMI CEC industry-standard protocol to share functionality between devices through the HDMI cable. With one touch of a button, you can operate all your connected HDMI CEC enabled equipment simultaneously. Functions like standby and play can now be carried out with absolute ease.

Modern design

Modern design to complement your home environment
