Highlights

Rich bass
This Philips PC speaker provides good sound quality with a rich bass experience from a loudspeaker box system.

USB plug for power

With plug-and-play convenience, the USB cable plugs directly into any USB port and your notebook automatically recognizes this as a removable USB mass storage device.

AUDIO-IN (3.5mm)

Make one easy connection and enjoy all your music from portable devices and computers. Simply plug your device to the AUDIO-IN (3.5 mm) port on your Philips set. With computers, the connection is typically made from the headset output. Once linked, you can enjoy your entire music collection directly, on a set of superior speakers. Philips simply delivers better sound.

Enjoy music/games/movies/video
The perfect accompaniment for your notebook and netbook, so you can play multimedia music and videos with great sound quality.
