- Dynamic Bass Boost electronically enhances the low tones
- Super anti-shock protection for smooth music enjoyment
- Built-in Bluetooth receiver for call and music streaming
- Rear-view camera mode for backing up safety
- Dual video outputs for entertainment in rear seats

# PHILIPS

# Highlights

## Built-in 50W x 4 amplifiers

Built-in 50W x 4 amplifiers for excellent sound quality

## DBB Dynamic Bass Boost

Activate the Dynamic Bass Boost (DBB), and the low-end bass frequencies are electronically enhanced to achieve consistent sound reproduction, especially when the speaker volume is set at a low level. You hear impressive bass at all times.

## DVD, DVD+/-R, DVD+/-RW, (S)VCD

The Philips player is compatible with most DVD and CD discs available in the market. DVD+/-R can accept both of the common

recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types. The quality of a SVCD (Super VideoCD) plays much more sharpen picture than a VCD because of the higher resolution. MPEG4 is designed to deliver DVD-quality video (MPEG-2) at lower data rates and smaller file sizes. The DivX codec is an advanced MPEG4-based video compression technology to shrink digital video to sizes while maintaining high picture quality.

## Super anti-shock protection

Super anti-shock protection for smooth music enjoyment

## USB Direct and SDHC card slots

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more music, videos and photos via the built-in USB Direct and SDHC card slots.

## AV-IN

AV-IN for portable video and music playback

## Built-in Bluetooth receiver

The Bluetooth hands-free feature lets you use your mobile phone safely while driving and you don't have to miss any important calls. With the built-in Bluetooth® receiver, you can also conveniently stream your music files from your phone to your car entertainment system.

## Rear-view camera mode

Rear-view camera mode for backing up safety

## Dual video outputs

Dual video outputs for entertainment in rear seats
