Highlights

Alkaline technology

Alkaline technology ensures power for high-drain devices.

Cadmium, Mercury and Lead-free

These Philips batteries are guaranteed free from harmful heavy metals such as Cadmium, Mercury and Lead.

Complete range

Philips offers a complete portfolio consisting of the most frequently used batteries (AA, AAA, C, D, 9V) in different packaging variations in order to meet your needs.

Holds power for up to 10 years

Every battery suffers from energy loss when not in use. We guarantee that the battery contains at least 80% of its initial energy within the best before date.

Language-free symbols

Universal language-free symbols on the packaging explain how and where the battery can or should be used.
