This product has been manufactured by, and is sold under the responsibility of Gibson Innovations Ltd., and Gibson Innovations Ltd. is the warrantor in relation to this product. Philips and the Philips Shield Emblem are registered trademarks of Koninklijke Philips N.V. and are used under license.

PX840T\_05\_QSG\_V3.0

## Safety

- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Do not block any ventilation openings. The minimum distance around the product for sufficient ventilation is 10 cm.
- Use only power supplies listed in the user manual.
- Battery usage **CAUTION** – To prevent battery leakage which may result in bodily injury, property damage, or damage to the product:
  - Install all batteries correctly, + and - as marked on the product.
  - Do not mix batteries (old and new or carbon and alkaline, etc.).
  - Batteries (packed or installed) shall not be exposed to excessive heat such as sunshine, fire or the like.
  - Remove batteries when the product is not used for a long time.
  - Batteries contain chemical substances, so they should be disposed of properly.
- The product shall not be exposed to dripping or splashing.
- Use the product in moderate climate.
- Do not place any sources of danger on the product (e.g. liquid filled objects, lighted candles).
- Where the plug of the Direct Plug-in Adapter is used as the disconnect device, the disconnect device shall remain readily operable.

This symbol on a product means that the product is covered by European Directive 2012/19/EU. Inform yourself about the local separate collection system for electrical and electronic products. Follow local rules and never dispose of the product with normal household waste. Correct disposal of old products helps prevent negative consequences for the environment and human health.
