# Highlights

## AM/FM tuner

AM/FM tuner for radio enjoyment

## Large backlit LCD display

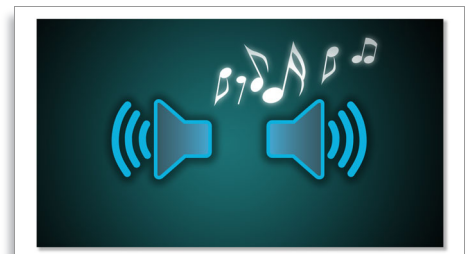

Backlit LCD display ensures easy viewing and operation in low light conditions, and provides clear information at a glance.

## Built-in clock

A built-in clock keeps time accurately. When the radio is off, the clock display comes on for added convenience.

## Built-in speaker

A speaker offers good sound quality for more pleasure.

## Stereo headphone jack

Connect your own headphone to this Philips radio for a more personal listening experience whenever you want it. You can enjoy your favourite movie or music in great sound without disturbing others by connecting your headphones to the player.
