Step C *Enjoy*

Playing a disc

1
Press **DISC 1** ⏏ / **DISC 2** ⏏ on the remote to open the disc tray and load in a disc, then press the same button again to close the disc tray.
➔ Make sure the label side of the disc is facing you.

2
Playback will start automatically. If not press ▶ II .

3
To stop playback, press **STOP**■ (■ on the remote).

Programming and tuning to radio stations

1
Press **SOURCE** (or **TUNER** on the remote control) to select tuner source.

2
Press **PROGRAM** on the remote control for more than two seconds to program all available stations in order of waveband.

3
Press |◀ / ▶| (or ◀ / ▶ on the remote control) until the desired preset station is displayed.

Tip
Detailed playback features and additional functions are described in the accompany owner's manual.

Notes for remote control:
– First, select the source you wish to control by pressing one of the source select keys on the remote control (DISC or TUNER, for example).
– Then select the desired function (▶II, |◀, ▶| for example).
